

Project Acme: Legal Due Diligence - IP & Material Contracts

1. Intellectual Property Portfolio

Acme Cloud Solutions holds 4 granted US patents and 12 pending applications focused on distributed database synchronization for ERP systems. Most IP is internally developed.

2. Material Customer Contracts

We reviewed the Top 10 customer contracts. 35% of ARR is subject to change-of-control provisions requiring written consent within 90 days. Key termination clauses are standard market terms.

Customer	ARR (\$M)	Term	CoC Provision
Globex Corp	2.1	3 yrs	Consent Required
Initech Systems	1.8	2 yrs	Notice Only
Soylent Mfg	1.5	5 yrs	Consent Required
